AMERICAN PASSAGES places a unique emphasis on time as the defining nature of history--how events lead to other events, actions, changes, and often-unexpected outcomes. The authors offer readers a sensible, step-by-step, compelling narrative with balanced coverage of political, economic, social, cultural, military, religious, and intellectual history.

1. Structure and Process of Supervision. 2. Supervision Models: Psychotherapy-based Non-Psychotherapy-based. 3. Effective Supervision. 4. Supervisor. Gender and Perceived Stereotypes. Theoretical Orientation, Interaction and Learning Styles. BTI Types. Negative-Harmful Supervision. 5. Supervisee. Attachment Style. Self-presentation and Self-disclosure. Interaction and Learning Styles. Theoretical Orientation. Gender & Perceived Stereotypes. 6. Assessment of the Trainee. Knowledge and Skills. Personal Dynamics. Formal Assessment Tools. 7. Supervision Ethics. 8. Legal Aspects of Supervision in Psychotherapy. 9. Impacts of Culture and Diversity on the Supervisory Relationship and Process.

Edward L. Ayers is the President of the University of Richmond. He was educated at the University of Tennessee and Yale University, where he received his Ph.D. in American Studies. Previously Dean of Arts and Sciences at the University of Virginia, where he began teaching in 1980, Ayers was named National Professor of the Year by the Carnegie Foundation and the Council for the Support of Education in 2003. His book, *IN THE PRESENCE OF MINE ENEMIES: WAR IN THE HEART OF AMERICA, 1859-1863* (2003), won the Bancroft Prize for distinguished work on the history of the United States. *THE PROMISE OF THE NEW SOUTH: LIFE AFTER RECONSTRUCTION* (1992) won prizes for the best book on the history of American race relations and on the history of the American South. It was a finalist for both the National Book Award and the Pulitzer Prize. He is the co-editor of *THE OXFORD BOOK OF THE AMERICAN SOUTH* (1997) and *ALL OVER THE MAP: RETHINKING AMERICAN REGIONS* (1996). The World Wide Web version of "The Valley of the Shadow: Two Communities in the American Civil War" was recognized by the American Historical Association as the best aid to the teaching of history. His latest book is *WHAT CAUSED THE CIVIL WAR? REFLECTIONS ON THE SOUTH AND SOUTHERN HISTORY* (2005).

Lewis L. Gould is Eugene C. Barker Centennial Professor Emeritus in American History at the University of Texas at Austin. After receiving his Ph.D. from Yale University, he taught at Texas for 31 years before his retirement in 1998. He was honored for outstanding undergraduate and graduate teaching during his career. His most recent books include *THE MODERN AMERICAN PRESIDENCY* (2003), *GRAND OLD PARTY: A HISTORY OF THE REPUBLICANS* (2003), and *THE MOST EXCLUSIVE CLUB: A HISTORY OF THE MODERN UNITED STATES SENATE* (2005). He has written op-ed essays for "The Washington Post," the "Austin American-Statesman,"

and "The Dallas Morning News," and has been a frequent commentator on radio and television about modern politics, First Ladies, and Congress.

David M. Oshinsky received his undergraduate degree from Cornell University and his doctorate from Brandeis. He is currently Jack S. Blanton Chair of History at the University of Texas at Austin. Prior to that he taught for 26 years at Rutgers University, where he held the Board of Governors Chair as well as chairman of the History Department. Oshinsky is the author of five books, including *A CONSPIRACY SO IMMENSE: THE WORLD OF JOE MCCARTHY* (1983), which was voted one of the year's "best books" by the "New York Sunday Times Book Review," and won the Hardeman Prize for the best work about the U.S. Congress. His book, *WORSE THAN SLAVERY: PARCHEMAN FARM AND THE ORDEAL OF JIM CROW JUSTICE* (1996), won both the Robert Kennedy Book Award for the year's most distinguished contribution to the field of human rights and the American Bar Association's Scribes Award for distinguished legal writing. Oshinsky's latest book is *POLIO: AN AMERICAN STORY* (2005).

Jean R. Soderlund is Professor of History and Deputy Provost for Faculty Affairs at Lehigh University. She received her Ph.D. from Temple University and was a post-doctoral fellow at the McNeil Center for Early American Studies at the University of Pennsylvania. Her book, *QUAKERS AND SLAVERY: A DIVIDED SPIRIT*, won the Alfred E. Driscoll Publication Prize of the New Jersey Historical Commission. Soderlund was an editor of three volumes of the *PAPERS OF WILLIAM PENN* (1981-1983) and co-authored *FREEDOM BY DEGREES: EMANCIPATION IN PENNSYLVANIA AND ITS AFTERMATH* (1991). She has written articles and chapters in books on the history of women, African Americans, Native Americans, Quakers, and the development of abolition in the British North American colonies and early United States. She is currently working on a study of the Lenape people within colonial New Jersey society. She is a council member of the McNeil Center for Early American Studies, and she served as a committee chair for the American Historical Association and the Organization of American Historians.

With a unique attention to time as the defining nature of history, CENGAGE ADVANTAGE BOOKS: *AMERICAN PASSAGES: A HISTORY OF THE UNITED STATES, 4e*, offers students a view of American history as a complete, compelling narrative. *AMERICAN PASSAGES* emphasizes the intertwined nature of three key characteristics of time--sequence, simultaneity, and contingency. With clarity and purpose, the authors convey how events grow from other events, people's actions, and broad structural changes (sequence), how apparently disconnected events occurred in close chronological proximity to one another and were situated in larger, shared contexts (simultaneity), and how history suddenly pivoted because of events, personalities, and unexpected outcomes (contingency). To meet the demand for a low-cost, high-quality survey text, CENGAGE ADVANTAGE BOOKS: *AMERICAN PASSAGES: A HISTORY OF THE UNITED STATES, 4e*, offers readers the complete text in an economically priced format. All volumes feature a paperbound, two-color format that appeals to those seeking a comprehensive, trade-sized history text.

"I particularly like the organization of the chapters'especially the fact that they cover social, economic, and political events within a chronological framework that doesn't seem chopped up. It's sometimes hard to provide both a topical and chronological focus in a way that makes sense to students and yet is true to the evolution of events and trends."

"*PASSAGES* has perhaps the best collection of illustrations, maps, and photos of any text I have seen. What makes this collection even more effective is that they seem to appear at the right time in the text. ' I have thought many times that photos, and especially their placement, were an afterthought'but *Passages* gives me the impression that a great deal of planning'went into the production process." --This text refers to an alternate Paperback edition.

American Passages is a decent and remarkably readable survey text, but I quickly noticed that this particular edition contains quite a few grammatical and formatting errors. In some extreme cases, figures and their descriptions are even mismatched, which can throw the "big picture" of entire sections into disarray. Don't get me wrong, though: considering the price, I would've purchased this book even with prior knowledge of the errors. Just keep in mind that purchasing the "Advantage"

edition comes with its own set of disadvantages.

Written by top scholars of American History, *AMERICAN PASSAGES, BRIEF SECOND EDITION* examines U.S. history the way people live?in the flow of real time. Rather than pursuing one topic (such as politics, culture, society, reform, the military, or economics) at a time, each chapter of the text interweaves important themes and issues into one clear narrative. Through this method of presentation as well as through the primary source material in every chapter, students can observe the many ways that events, movements, and groups of people have served to shape history and can learn to make connections between these themes and issues. This revision includes expanded review materials and pedagogy to help students get through the course as well as a free *AMERICAN PASSAGES* Book Companion Website created by Ed Ayers. This site includes chapter-by-chapter quizzing, interactive maps, videos, audio, and links to over 400 readings.

Oshinsky is a regular contributor to scholarly journals, the *Washington Post Book World*, *New York Sunday Times Book Review*, *New York Times Op-Ed* page, and *New York Times Sunday Magazine*. He was awarded a senior fellowship by the National Endowment for the Humanities and spent 1999-2000 as a Phi Beta Kappa Visiting Scholar.

This is the textbook for the early American history class I'm taking (HI 111); I've got the third edition. It's been quite a while since I've had to read a proper textbook for a class, and by and large I think the issues I have with this book are endemic to survey textbooks rather than specific to this text (i.e. whole decades, battles, social issues being confined to a single sentence). The maps are good (though occasionally mislabeled, which I hope they've fixed in the 4th ed.). Overall I susp...more This is the textbook for the early American history class I'm taking (HI 111); I've got the third edition. It's been quite a while since I've had to read a proper textbook for a class, and by and large I think the issues I have with this book are endemic to survey textbooks rather than specific to this text (i.e. whole decades, battles, social issues being confined to a single sentence). The maps are good (though occasionally mislabeled, which I hope they've fixed in the 4th ed.). Overall I suspect my grandfather, who's rather a slave to Fox News, would be apopleptic over some of what this text teaches, which is for me, of course, a point in its favor. If you're looking for an early American history textbook, I'm sure you could do worse.(less)

To accomplish your course goals, use this study guide to enhance your understanding of the text content and to be better prepared for quizzes and tests. This convenient manual helps you assimilate and master the information encountered in the text through the use of practice exercises and applications, comprehensive review tools, and additional helpful resources.
