

Fundamentals of Social Research, Earl R. Babbie, Lucia Benaquisto, Cengage Learning, 2009, 0176414541, 9780176414542, . This Second Canadian Edition is authored by best-selling authors, researchers and teachers Earl Babbie and Lucia Benaquisto. This outstanding author team makes abstract theory understandable with humour and down-to-earth examples. Canadian examples and Canadian social science research make the text even more relevant to students. This textbook is for a one semester course in research methods. The adaptation is unique because it has added chapters unique to Canada and integrates methods based on feedback for more comprehensive coverage. There is more material on ethics and qualitative research in Canada. There is also coverage of a more advanced topic, "the elaboration model." This book is also unique in the Canadian market because of its rich ancillary package..
