

OSHA Standards for the Construction Industry, Laurel Gershon, Wolters Kluwer Law & Business, Toolkit Media Group, 2011, 0808025015, 9780808025016, . This book contains the occupational safety and health standards for the construction industry promulgated by the Occupational Safety and Health Administration (OSHA), effective January 1, 2011. Although this is not an official OSHA publication, it reproduces the full text of regulations contained in the official OSHA government version at Title 29 of the Code of Federal Regulations (CFR) Part 1926..
