Gallium Arsenide and Related Compounds Papers from the ... International Symposium on Gallium Arsenide and Related Compounds ..., B. de Cremoux, 1984, Technology & Engineering, 695 pages.

Characterization of semiconductor materials principles and methods, G. E. McGuire, 1989, Technology & Engineering, 342 pages. Characterization of semiconductor materials and methods used to characterize them will be described extensively in this new Noyes series. Written by experts in each subject

Photoelectronic properties of high-resistivity GaAs:O and GaAs:Cr single crystals , Alice Wei-Lung Lee Lin, 1974, , 185 pages. .

Proceedings of the 14th International ..., Volume 10, Part 1 - Volume 12, Part 1 Paris, France, August 18-22, 1986, H. J. von Bardeleben, 1986, Technology & Engineering, 1270 pages. .

Advances in Electronics and Electron Physics: Supplement, Volume 23 Supplement, Henning F. Harmuth, 1990, Science, 338 pages. .

Advances in Powder Metallurgy & Particulate Materials - 1996 ..., Volume 1 proceedings of the 1996 World Congress on Powder Metallurgy & Particulate Materials sponsored by the Metal Powder Industries Federation and APMI International, June 16-21, Washington, Metal Powder Industries Federation, 1996, Technology & Engineering, . .

Technology Matters Questions to Live With, David E. Nye, 2007, Technology & Engineering, 282 pages. Looks at ten central questions concerning humankind's relationship to technology, including "Does technology shape us, or do we shape it?" and "Are we using modern technology

Materials aspects of GaAs and InP based structures , V. Swaminathan, A. T. Macrander, 1991, , 606 pages. .

SEM microcharacterization of semiconductors , D. B. Holt, David C. Joy, Jan 28, 1989, Technology & Engineering, 452 pages. Applications of SEM techniques of microcharacterization have proliferated to cover every type of material and virtually every branch of science and technology. This book

Theoretical Studies of the Properties of Magnetic Resonance Signal Formed Under the Influence of Distant Dipolar Field , Chung Ki Wong, 2008, , 166 pages. This dissertation studies the properties of nuclear magnetic resonance (NMR) signals of biological samples formed under the influence of

distant dipolar field (DDF). The use of

Proceedings of the 11th Annual Conference on the Physics and Chemistry of Semiconductor Interfaces, 31 January-2 February 1984, Pinehurst Hotel, Pinehurst, North Carolina , American Physical Society, 1984, Technology & Engineering, 262 pages. .

Bill W. A Biography of Alcoholics Anonymous Cofounder Bill Wilson, Francis Hartigan, Oct 12, 2001, Biography & Autobiography, 256 pages. Draws on interviews with Bill Wilson's wife to provide a close-up look at a man whose work transformed the lives of thousands of people but who led a complex, sometimes

Proceedings of the 14th Annual Conference on the Physics and Chemistry of Semiconductor Interfaces, 27-29 January 1987, the Westin Hotel Utah, Salt Lake City, Utah , American Physical Society, 1987, , 384 pages. .

Auger spectroscopy and electronic structure proceedings of the first international workshop, Giardini Naxos-Taormina, Messina, Italy, September 10-14, 1988, Gaetano Cubiotti, Guglielmo Mondio, Klaus Wandelt, 1989, Science, 277 pages. .

Electronic materials a new era in materials science, James R. Chelikowsky, 1991, Technology & Engineering, 341 pages. This is a personal, innovative, and exciting view of the current status of the field of electronic materials. It provides a graduate-level introduction to new classes of
