Small Schools Correlation The North American Division Social Studies Multi-grade Implementation and Organizational Notebook contains S. O. S. M. A. R. T., the Social Studies Management and Resource Tool which has been designed for use by teachers who teach multi-grades. Topics for grades 1-6 have been modified so that they correlate with those of grades 5-8, allowing a teacher with combined grades to teach the same topic across levels (grades). Topics rotate through a four-year cycle, alternating between the United States and the world. To order, contact your local conference Office of Education. Denominational History To help in teaching denominational history, each school library should have one copy of Chronology of SDA Education. You can also use the SDA Yearbook. Supplemental Materials Scott Foresman Leveled Readers 1-6 Combined Leveled Reader Access Package: Order one per school at the Seventh-day Adventist cost: \$341.25. This is a searchable database for leveled readers for Reading, Social Studies and Science. Each school should choose one contact person to place the one order for that school.
