Since it first appeared in 1917, this edition of the Scofield Study Bible has been regarded by evangelical Christians as a classic work in its field. Now for a new generation of users, Oxford has re-set the Bible using the Authorized King James Version alongside Scofield's complete study notes. This style uses a black letter text for the whole Bible, and in addition to all the normal features of Scofield Bibles, it also incorporates full colour Oxford Bible Maps. The fine bound edition of the Old Scofield Study Bible includes all the textual features of the hardback, but in a good quality bonded leather binding, ensuring not only that the book is attractive, but also that it will last for many years in regular use. The binding features include a flexible bonded leather cover in semi yapp style, with gilt finish to the page edges, and gilt blocking on the front cover and spine. The Bible is finished with head and tail bands, and includes a ribbon marker. It is supplied in a two-piece box for protection..
