Skirmish at Stirling , Linda Strachan, 2006, , 14 pages. .

Raised in the English court under the medieval code of chivalry, Robert the Bruce in essence was a Knight. Bruce picked up the mantle to rid Scotland of England, and this book graphically portrays Bruce's high moments, such as the Battle of Bannockburn, along with the low moments of his

struggle. A man of persistence and determination, Bruce suffered many setbacks during his early attempts to be crowned King of Scotland, but his resilience, bravery and some good fortune enabled him to eventually achieve his goal.

Though raised as an English knight, Robert the Bruce was a Brave Scot who dedicated his life to bringing freedom to Scotland. This story tells of Bruce's struggle to overcome three ruthless English kings – surprisingly all called Edward! Find out how, against all the odds, Robert the Bruce was able to keep on fighting until eventually defeating the English in the famous Battle of Bannockburn. So if you want to learn the true story of how Robert became king of Scotland and freed his people from English rule, then read on...<?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

By submitting your bid, you're committing to buy this item from the seller if you're the winning bidder. You've read and agree to the Global Postage Programme terms and conditions - opens in a new window or tab. Import charges previously quoted are subject to change if you increase your maximum bid amount.

Customers within Australia: Shipping flat rate AU\$7.50 to any address, regardless of weight, with additional units charged at weight-based cost. This series of funny history books takes a long hard look at two of Scotland's most famous

historical figures. Though often tongue in cheek and packed full of jokes, there is a darker and more serious side to these books. They challenge young readers to question what they know of Wallace and Bruce, forcing them to draw new, and often surprising, conclusions.

Often portrayed as a Highland Warrior, William Wallace was a Brave Scot and a true hero. He dedicated his life to expelling the English from Scotland and set about his mission with great vigour. Consequently his reputation rose throughout the English forces as a giant of a man. Wallace had many successful battles but one man was to get in his way – Edward I, King of England. This book looks at Wallace’s most notable battles through to the torturous death inflicted upon him at the command of Edward 1. [Click cover image to buy]
