It's a Pitch Perfect reunion for Ground Floor's Skylar Astin when his costar from last year's hit movie — and real-life girlfriend — Anna Camp guests on the Dec. 26 episode of his new TBS comedy. She plays Heather, one of Brody's exes from his Harvard Business School days, and serves as a romantic stumbling block for the buttoned-up banker and his free-spirited new girlfriend, Jenny (Briga Heelan).

Heather causes trouble for the new couple by seeming to be Brody's ideal girl — even their singing voices are in harmony. “The second Skylar said Anna would do [the show], we said, “We should probably do a karaoke episode,” says executive producer Bill Lawrence. “There are four or five songs; it all culminates in a karaoke battle. And if Camp strikes a chord with viewers, Lawrence says she may pop up again later in the season.

The rapper, who has rejected offers of up to \$3 million from other magazines, is trying to convince his good friend Anna Wintour to put his girlfriend, Kim Kardashian, and their two-month-old daughter, North West, on the cover of her publication, even though the editor-in-chief doesn't like the reality star.

But it's also pretty well-known that Anna is no fan of Kim or any reality star appearing in the pages of the magazine. Kanye is determined to make sure baby North isn't photographed by paparazzi then splashed across the world. He knows what he wants — a professional photographer and the cover of Vogue — nothing else. But clearly, trying to persuade Anna is going to be an uphill battle.

“In my paintings I create dreamlike images that utilise the natural character of Chinese materials, generating a meeting between East and West, traditional and contemporary,” said Ms Glynn. “I have spent extensive time in China developing this genre, fusing Chinese traditional ink painting techniques with a Western aesthetic.”

Since 2006 Anna has travelled to China every year for exhibitions and residencies and to collaborate with Chinese artists. She is currently Artist-in-Residence in the Department of Visual

Studies at Lingnan University, lecturing arts students as well as undertaking research and developing new works using traditional Chinese materials.

Preheat the oven to 180C. Put the pumpkin, chilli, garlic, ginger, peanut oil and salt and pepper in a large bowl and toss until well coated. Spread evenly in a non-stick roasting tray (or use a roasting tray lined with baking paper), then roast for 30 minutes, or until the pumpkin is just cooked through but still firm. Meanwhile, put the lentils and bay leaf in a saucepan with the water and a pinch of salt over medium heat. Cook for 20 minutes, or until soft to the bite, then drain. Combine the pumpkin and lentils in a large bowl. For the dressing, whisk the lemon juice, sugar and salt and pepper in a small bowl, then add the onion and set aside until ready to serve. This will soften the sharpness of the onion. When ready to dress the salad, whisk in the oil. Just before serving, add the coriander to the pumpkin mixture, pour over the dressing and toss together.

GENERAL INFO: The park has a beach on one of Virginia's most popular lakes, a fishing pond accessible to children and the disabled, a bathhouse-concessions complex and a boat launch. Camping, picnicking, six camping cabins and 10 two-bedroom cabins, seven with views of the lake, also are available. With more than 15 miles of trails, the park offers many hiking, biking and horseback riding options. Visitor center exhibits trace the history of the area's gold mining and highlight the park's natural features. Nature and gold panning programs are popular, and the park offers guided tours of the Goodwin Gold Mine.

Note: Day-use parking areas near the beach and picnic areas fill up rapidly when the summer weather is nice on weekends and holidays. When this happens, park staff close the park road to additional traffic until enough parking spots have been vacated. Park closure may remain in effect until 4 p.m. We apologize for any inconvenience.

From I-95, take Exit 118 at Thornburg and travel about four miles on Rt. 606. At Snell, continue through the traffic light on Rt. 208. Stay on Rt. 208 west for 2 miles. At the stop light, continue

straight for a short distance to another stop light. At this light, turn left onto Courthouse RD (Rt 208 west). Continue on Rt. 208 through the stop light at Spotsylvania High School. In 8 miles, turn right onto Rt. 601 Lawyers Road and drive 3 miles. Youâ€™ll see the state park sign on your left.
