And I Don't Mean Christmas!: A Children's Photo Journal, Kay M. Rutherford, Aavery Press, 1996, 0965274209, 9780965274203, . This humorous photo journal is an excellent, fun-to-read book which includes 40 plus photographs of children in varying stages of development. The author/photographer collected quips, quotes & photos from her two daughters & they went directly from baby book & into this collection called AND I DON'T MEAN CHRISTMAS! Similar to Art Linkletter's Kids Say the Darndest Things, this book is a perfect gift item for any kind of parent - new, old, or grandparent, for teachers, for nurses & medical personnel in the nurseries & pediatrics department. A perfect stocking stuffer, AND I DON'T MEAN CHRISTMAS! is plum full with "kid-isms" which appeal to children, as well as to adults. The author, Dr. Kay Rutherford, a professor of counseling, convinces us that humor is a necessary ingredient for adults who work with children & for children who work with adults! Look for Dr. Rutherford's additional book entitled SWEET STEW: AN ALASKAN TALE. Order from: Aavery Press, 938 Johnson St. LaCrosse, WI 54601, 608 782 1744..
