

Amusing moments with a woman doctor: health tips while you laugh, Belinda Coyte, Starburst Publishing, 2005, 0975805320, 9780975805329, 208 pages. Dr. Belinda takes us on a journey through her early years, on into medical school, and then into Dr. Milton Williams' surgery. Dr. Williams has a hobby farm on which lives his prized stud bull, Napoleon. There are more photos of Napoleon in the surgery than of Dr. Williams' wife, Margot. Lynne, the receptionist, has a thing for chocolate, alternative health practices, and Dr. Williams. Amusing Moments with a Woman Doctor combines funny anecdotes, embarrassing situations, and downright unexpected happenings, like a saucy incident with an olive, Lynne, and Dr. Williams. With story titles such as 'Slippage', 'Sausage Sizzle at the Nudist Colony', 'Men Downstairs', and 'Smear Overload', you won't be short of a giggle. From confusing conversations, particularly about 'Volvos', to children along for home visits, from the parade of pet stories (and Napoleon's birthday party) to the 'finding' of missing items, and from piercings to breast sizes, this book covers the lot. They are all delivered with a big dose of humour and if you are in need of a good laugh, this book guarantees you'll get one..
