

Seniors Centerstage, , Hal Leonard Corporation, 1998, 0834197758, 9780834197756, 126 pages. With the premise that it's possible to grow old gracefully, Seniors Centerstage grapples with growing old with humor and pathos. While the topics cover the more difficult phases of aging, like Alzheimer's, older adult abuse, and surrendering a driver's license, topics are handled deftly with humor, and with an appropriate gentleness. 'Blanton's well-written [sketches] are filled with humor and will be useable in any senior acting group.'--Stage Directions.
