

**The  
Antibiotic  
PARADOX**

How the Misuse  
of Antibiotics  
Destroys Their  
Curative Powers

Stuart B. Levv, M.D.

Second Edition

The Antibiotic Paradox, Stuart B. Levy, Da Capo Press, 2002, 0306819899, 9780306819896, 353 pages. In this totally revised and updated edition of the classic primer on the misuse of antibiotics, Dr. Stuart Levy reveals how our cavalier and naïve attitude about the power of antibiotics can have -and already has had- dire consequences. He explains that we are currently witnessing a massive evolutionary change in bacteria. This build-up of new antibiotic-resistant bacteria in individuals and the environment, mixed with our overzealous use of antibiotic soaps and the unregulated dispensing of antibiotics worldwide, is leading us into a dangerous territory where our "miracle" drugs will no longer help..
