

This Could Have Been Our Song!: A Coulda Woulda Shoulda Ballad, Danielle-Claude Ngontang Mba, Danielle-claude Ngontang, CreateSpace Independent Publishing Platform, 2013, 1481964089, 9781481964081, 350 pages. Love can be such a *Ǝ²Ǝ,Ñš*coulda, woulda, shouldaƎ²Ǝ,Ñœ song sometimesƎ²Ǝ,Â! Lucia Mpobo-Riddell could have been a dancer like the rest of women of her family but instead she chose music. Marcus Grant could have been a doctor like the rest of his family but instead he chose music. She also could have not fallen for Marcus on her birthday but she did. And Marcus, he could have told Lucia the truth about his real reason for being in Toronto that night, but he didn't. Now they have to deal with big reveals and consequences: Marcus almost stealing her job and being force to work on an album together. Marcus, because he couldn't swallow his pride, leave Toronto and go home to London. Lucia, because she just couldn't give up on her first amazing opportunity to produce a whole album. And to complicate the situation further, the band they're working for is not the easiest one. Mary Gillis, Marcus' on and off flame, still has a hold on him. Greg McMullen, Lucia's close friend and former dance partner is back in town and has been in love with her for years. Then there's Marcus and Lucia, in the middle of their own a professional and personal tug-of- war with each over and the rest of the world. But maybe things could still work outƎ²Ǝ,Â! All things considered, this could have been one heck of a love song!

Love can be such a "coulda, woulda, shoulda" song sometimes! When Lucia Mpobo-Riddell met Marcus Grant they instantly clicked. Like Fate intervened. Lucia soon discovered that it was Betrayal instead. But now whether they liked it or not they had to work together. But maybe things could still work out between them! All things considered, this could have been one heck of a love song!

Lucia Mpobo-Riddell could have been a dancer like the rest of women of her family but instead she chose music. Marcus Grant could have been a doctor like the rest of his family but instead he chose music. She also could have not fallen for Marcus on her birthday but she did. And Marcus, he could have told Lucia the truth about his real reason for being in Toronto that night, but he didn't. Now they have to deal with big reveals and consequences: Marcus almost stealing her job and being forced to work on an album together. Marcus, because he couldn't swallow his pride, leaves Toronto and goes home to London. Lucia, because she just couldn't give up on her first amazing opportunity to produce a whole album. And to complicate the situation further, the band they're working for is not the easiest one. Mary Gillis, Marcus's on and off flame, still has a hold on him. Greg McMullen, Lucia's close friend and former dance partner is back in town and has been in love with h.. (Read more) Book one:

Ouch!! Not a good thing.. Now this is where the story starts to get very interesting , See her old flame and dance partner Paul comes back into town (he has always been in love with her) (Marcus is jealous of him) . However Lucia is not forgiving of Marcus for lying to her. During all this time the sisters are busy planning a wedding for one of them. And Lucia is the best man.

I moved back to Canada in 1999 after high school in Libreville to study Cinematography and Digital movie production in Laval University in Quebec then The International Academy of Design and Technology in Toronto. After graduating in 2003, I decided to sell my soul to the corporate world and worked in the Benefit Outsourcing Industry for seven in Toronto before reconnecting with her first passion writing.

And the rest as they say is history... Almost two years later, I'm in London and wrote three novels: This Could Have Been Our Song! A coulda woulda shoulda ballad... (Book one) currently available on amazon and soon in iTunes, Kobo, Barnes and Nobles and Smashwords. The sequel This Would Have Been Our Song! Catchy tune and dancers tales will be release in January 2014. Bird Of Prey, my first mystery novel will be release in October 7th, 2013 on paperback before its wide release in November 25th, 2013. It will be followed by The Plot Thickens (a novella) in January 2014 and Polliannah Got Married! in April 2014 or earlier.

It has been two years since Lucia has made her choice between the two men in her life. She and her beloved would have been perfectly happy if it wasn't for the constant distractions from her past, her sister Noor's complicated life, her own doubts and fears. Maybe there wasn't such a thing as perfection. This was a lesson that Lucia was about to learn the hard

way.

After three years of staying away from sleuthing, Sémya Slotin is frown back in the business of solving mysteries when she found her ex’ current flame dead in her brand new home. And to complicate the matter the police think he may have done it. Sémya might be a little rusty but with the help of new found friends and an old mysterious old one . She vows to see this through...

“What hasnét she done to me? Sheés the most beautiful woman Iéve ever met in my entire life. She has a passion about other peopleés happiness that is simply inspiring. She rose from her own ashes and became an even better person when most would have stayed in the dark,&• I tell her, looking straight into her eyes. éAnd when she dances, sings or plays an instrumentésheés a completely out of this world artist and I canét take my eyeséand hands off her,”

My first novel This Could Have Been Our Song! A coulda woulda shoulda ballad (Book 1 of the Coulda Woulda Shoulda Songs Series) has just been released in January. I currently live in London but I'm still a Canuck at heart. When I'm not living the bohemian life in South East London, I'm hard at work on the second book, This Would Have Been Our Song! Catchy Tunes and Dancers Tales.

BlurbTo her millions of fans, ballroom champion Selena Marcil seems to have the perfect life: a great dance partner, a hit reality show, and celebrity perks. But underneath the glamorous ball gowns, Selena longs to find someone to share her life with when the stage lights dim. Selenaés childhood sweetheart, Bret Lord, hung up his dance shoes after winning two... Read more of this blog post »

Cassandra Cash...doesn't sound like the name of a superhero alter ego, a bounty hunter, a P.I... anything but a writer. I had to read the name twice at the beginning of the book. So I usual I didn't read the blurb before reading the book and it was a good thing because I personally think that the blurb gives away too much. But enough about me...

This is a sweet and funny story but I had a couple issues with it. The male escort, Nate, I didn't understand his purpose and he didn't add anything to the story. I can't believe I 'm saying this but I would have liked to see more Casey and Mason's interactions with their clothes on... I would have liked to get to know them a bit better and understand what they like about each other with their clothes on... Who died and made me to a prude? lol

Ités that time of the year again, sugar cookies, trips to Starbucks for a nonfat Egnog latte (donét burst my bubble), watching another crazy spinoff of A Christmas Carolé I havenét seen a decent Christmas movie in ages! Ités forced and always with a deadline éChristmas day like it was the end of the worldé What they should do is take a page on The Secret Santa Wishing. Iéll watch this movie. Heck Iéll cast it too.

Fade iné enters Jacob (Colin Egglesfield) in the life of Cheyenne (Jennifer Love Hewitt). He had lost hope for good reasons, she had lost hope for good reasons too. But then thereés Ben Cheyenneés son and the best six year old Iéve ever read about and with a simple well in the middle of the mall, he brought these two lonely souls togetheré Fade out.

Like the pitch? Then you will love the story. It is about fate, family, loss and love and yes ités a little corny at times but so are every Christmas story Iéve ever read or watched. Ités the time of the year of sweet corniness, for second chances, new loveé So grab another nonfat eggnog latte (do not I repeat do not burst my bubble) and get your copy. Merry Christmas!(less)

Hang on a sec'--that...more A place to connect writers with Beta readers. Sometimes writers get so involved in the plot they can't see the wood for the trees. Hang on a sec'--that's a cliché and it's better to remove it. A cliché is just one of the things to look out for while writing. They can slip in unnoticed and ruin an otherwise great paragraph. Then there's the passive voice, accents, misspelling, typos, incorrect data. The list is long. Avid Beta readers are not your editor or proof reader and don't expect them to do the grunt work. That's up to you. But they could have spotted a few fleas BEFORE you released the book and helped strengthen your story. Post Your genre. Get a group of 'well read' writers/readers to offer their feedback. (less)

Welcome to the Mystery, Crime, and Thriller Group! Oct/ Nov Group Reads - Patriot Games by Tom Clancy and Thirteen Steps Down by Ruth Rendell _ _ _ _ _...more Welcome to the Mystery, Crime, and Thriller Group! Oct/ Nov Group Reads - Patriot Games by Tom Clancy and Thirteen Steps Down by Ruth Rendell _ _ _ _ _ Do you like a who-dunnit? Does a murder at the beginning and a nice jail sentence at the end leave you satisfied? Or do you prefer a chilling thriller? Or are you fascinated by the mechanics of detective and forensic work? Sometimes it's as simple as Hercule Poirot leading us by the nose, step by step, with a satisfying wrap-up at the end. Other times, it's Perry Mason's unerring belief in his client's innocence and his ability to prove it. And let's not forget Cornwell's in depth forensics chases. Who knew how much of a story the dead had to tell? Occasionally we want to be scared. Saul, Cook, even Crichton. Some thrillers aren't meant to be read in the dark...or are they? If any of this appeals to you, join us in discussions, clue trails and, sometimes, open debates. We have it all. The guilty parties don't always get caught, but boy is it fun to read their stories! Your Moderators: Donna, Hayes, and Bill.(less)

I'm almost halfway down my Frappuccino when I see Greg coming out of the theatre. He's late and he isn't wearing his workout outfit but a loose pair of jeans and a dark, thin hoodie. By the time he reaches me across the street, he's made at least ten heads turned, men and women alike.

Well, it does help that we're in our fourth month. But our stage here is smaller so I had to make a few adjustments, he says, finishing his drink. Greg was already famous worldwide for his choreographies and own performances. But with a show of this magnitude, he raised his own stake.

When we meet Lucia- Luce/Lucita/Lulu- she's just embarked on what's going to be a stormy relationship with London-based producer Marcus Grant. Taken together, they're an interesting study in human potential: Lucia lost both of her parents when she was very young, but she's taken her grief and channeled it into all of her creative outlets. Marcus, born with an equal amount of talent but blessed with loving parents, has achieved respect in his chosen profession but is still this close to being great. The reader quickly understands that it's Marcus who can't get out of his own way, but like Lucia- and his family and friends- we're rooting for him to do the right thing.
