Lymphedema Handbook: Prevention and Management Strategies for People With Cancer, Ellen Carr, Linda T. Miller, American Cancer Society, Incorporated, 1998, 0944235417, 9780944235416, 116 pages. Lymphedema, an informative handbook from the American Cancer Society, provides a practical overview for managing lymphedema, a complication that sometimes occurs after breast cancer treatments. Lymphedema serves as an up-to-date resource reviewing what it is, how and why it occurs, how to manage it, and how to find other resources and credible web sites. To better explain lymphedema management, the handbook also includes photographs and illustrations, demonstrating techniques of massage, wrapping, and exercises. Quotes from lymphedema experts also complement the book..

One Hundred Questions and Answers about Cancer Symptoms and Cancer Treatment Side Effects , Joanne Frankel Kelvin, Leslie B. Tyson, 2004, Family & Relationships, 228 pages.
