

Rigorous Intuition: What You Don't Know Can't Hurt Them, Jeff Wells, Trine Day, 2008, 0977795322, 9780977795321, 505 pages. A welcome source of analysis and commentary for those prepared to go deeper and darker than even most alternative media permit, this collection from one of the most popular conspiracy theory arguments on the internet will assist readers in clarifying their own arguments and recognizing disinformation. Tackling many of the most difficult subjects that define our time including 9/11, the JonBenet Ramsey case, and "High Weirdness" these studies, containing the best of the Rigorous Intuition blog as well as original content, make connections that both describe the current, alarming predicament and suggest a strategy for taking back the world. Following the maxim "What you don't know can't hurt them," this assortment of essays and tools, including the updated and expanded "Coincidence Theorists' Guide to 9/11," guides the intellectually curious down further avenues of study and scrutiny and helps readers feel empowered rather than vulnerable..
