

Think by Hand: Hundreds of Ideas on Art - Clay, Sculpture, Pottery, Tiles, Paperclay, Ceramic, Design and Mixed Media, , New Century Art Books, 2004, 0963879316, 9780963879318, 214 pages. Start with a lump of clay and journey through the mind as seen from the point of view of the human hand. Visit matter of fact objects, pottery, tiles, architecture, world cultures. Then enter the realm of artists concerns, and beyond to most abstract ideas of contemporary quantum physics, computer avatars, philosophy and more. Naive to sophisticate readers will find a storehouse of trigger images for project possibilities delivered in a concise and easy to read format . Flip through hundreds of ideas and images on art, clay sculpture, pottery, tiles, paper clay ceramic (P'Clay), design and mixed media for beginner to advanced makers. Teacher and parent friendly lesson plans supplied for self directed or art study, home school, community center, formal school, college, university courses. Support for special needs students included..
