WILLIAM J. BARBER is the Andrews Professor of Economics, Emeritus, at Wesleyan University. He has published widely on topics in the history of economic thought, on issues in development economics, and on the role of economists as policy advisers. He has been named a Distinguished Fellow of the History of Economics Society. He served as a member of the research team, headed by Gunnar Myrdal, that produced the three-volume study "Asian Drama: An Inquiry into the Poverty of Nations," 243 pages. This study explores the attempts of British economic analysts to come to grips with the problems - both intellectual and practical - presented by the economics of the link with the East, their point of contact being through the English East India Company. Hardcover with jacket, has scattered blue pen notation through first 70 pages. 1 page has a small coffee stain. 8vo. Bookseller Inventory # 6631
