

How to Build the World's Best Poker Table, Tom Madden, Lightning Source Incorporated, 2006, 0978562208, 9780978562205, 48 pages. From the Author: The inspiration for building my own poker table was triggered by the inability of a friend to construct one. After researching the construction process, I quickly figured out why he had so much difficulty. The plans I found to build tables were either too vague or so complicated as to make even the seasoned woodworker fold his hand. Whether you are a skilled craftsman or a novice, constructing the world's best poker table with my method will be fun and easy! Anyone can build this table with tools found in the average workshop. For the cost of just a few hundred dollars and a couple of weekends you will create a poker table that will be the envy of your friends and last you a lifetime. So what are you waiting for? Let's get started!.
